# Bee produce for sale - Bucks County Show - 27th August 2026

Honey or other items for sale should be delivered to either Sean Stephenson, or Bill Fisher by 2pm on Wednesday 26th August. Local association members who are volunteering at the show on the day(early) can bring sale items with them.

All items for sale must be detailed on the attached BC Beekeepers show form.

There will be a honey tasting table - please provide an 8oz jar of honey with an identical label to the honey for sale, if you would like people to try your honey!

All honey must be labelled in accordance with the Honey (England) Regulations 2015, which can be found at: https://www.legislation.gov.uk/uksi/2015/1348. BCBKA reserves the right not to offer inadequately labelled jars for sale.

10% of the sale price will go towards BCBKA funds. Show prices as below.
